

THE CENTER FOR PATIENT PARTNERSHIPS

AT THE UNIVERSITY OF WISCONSIN – MADISON

A CENTER OF THE SCHOOLS OF LAW, MEDICINE & PUBLIC HEALTH, NURSING, AND PHARMACY

Patient Advocacy Services – Summary

Who do we serve?	Patients with life-threatening and serious illnesses and their families, regardless of income or residence.
Who advocates?	Professional/graduate students in medicine, social work, health systems engineering, law, pharmacy, and others who will work in or around the healthcare system in their future careers. Interdisciplinary center staff supervise students.
Cost?	Services are free to clients. We rely upon individual donations to provide our advocacy services.
Waiting list?	As a small educational center, we work on an academic calendar and rely on students to provide patient advocacy services. We work to respond to all inquires within four (4) business days. We do our best to prioritize urgent cases.
